WRITING TASK 1

Recipes: What is your favorite recipe from mom?

Submit the reasons for having your favorite recipe from mom.

Chicken noodle soup, chocolate chip cookies, that special sauce — we all have a recipe that reminds us of our moms, grandmothers or the women in our life who helped us get where we are today. Honor the lovely woman in your life by submitting a recipe in honor of Mother's Day and be entered to win a gift

card to Bed Bath & Beyond or Price Chopper. Submitted recipes will be printed online and a select few in print.

Details: Simply email an essay with the name of the dish — it can be one your mom made all the time, or she taught you how to make, or one that reminds you of her — and why this dish is special to you. Include your name and mailing address. Essays must be submitted by Monday, May 6.

WRITING TASK 2

You have seen the following announcement in an online magazine.

We invite readers to send in articles on the following subject.

Technological changes

Over the last years the pace of technological change has increased so quickly that one decade's must-have gadget becomes the next decade's laughing stock.

Write an **article** for the online magazine on **how technology has changed over the years and give your opinion on whether these changes are positive or negative.**

Write your **article** between **250-300** words.
